Effective: 21st October 2021

RANGE ROVER

- All-round exterior LED lighting is standard.
- Electronic air suspension helps deliver an even more confident off-road experience as you can raise the vehicle by some 75mm.
- Rear seats now have increased recline and all seats have deeper cushioning for greater comfort.
- Touch Pro Duo has two 10" high-definition Touchscreens to ensure you stay connected and entertained.
- The Smartphone Pack helps you stay safely connected to your smartphone even while in the car.

RANGE ROVER SPORT

- Cleaner, more dynamic, there's a contemporary feel everywhere you look – from the Range Rover Sport grille, redesigned bonnet vents to the refined, yet sporty wheel options.
- All-round exterior LED lighting is standard.
- Uncluttered console with SportShift Selector and gearshift paddles on the steering wheel.
- Terrain Response 2 is a standard that takes the capabilities of the award-winning system to a new level.
- The latest 360PS turbocharged petrol engine is equipped with highly efficient filters to capture and store ultrafine particles as exhaust gases pass through them.
- Adaptive Dynamics delivers the perfect balance of ride and control by offering continuously variable damper settings.

RANGE ROVER VELAR

- The Range Rover Velar now features the new Pivi Pro Infotainment system which is designed around you. A new electrical architecture delivers crisp, responsive HD graphics and fast start-up time on two beautifully-integrated 10-inch touchscreens.
- 21MY will see the first implementation of the new cross-carline gear shifter and steering wheel on Range Rover Velar.
- The 3D Surround Camera gives the driver a real-time external 3D perspective of the vehicle and various other views around the vehicle, helping with various manoeuvres such as parking by a kerb and getting in and out of tight spaces or junctions.
- Air suspension is now standard on 2.0L engine.

NEW RANGE ROVER EVOQUE

- The second generation of the Evoque nameplate
- Unmistakable Evoque silhouette complimented with sleek exterior design touches inspired by Range Rover Velar.
- Integration of intuitive technology in the interior cabin helps create a sleek Digital Environment for the occupants.
- True Land Rover Off-Road capability demonstrated by abilities such as 600mm water wading.
- First to segment with ClearSight Interior Rear View Mirror¹.

NEW DISCOVERY SPORT

- Discovery Sport is the most capable and versatile premium medium SUV.
- A full range of Advanced Driver Assistance Systems (ADAS), including: Clear Exit Monitor, 360° Surround Camera (now enhanced to enable ClearSight Ground View), Lane Keep Assist and Blind Spot Assist.
- Terrain Response 2 is available and fitted to AWD automatic vehicles as standard.
- The 10.25" InControl Touch Pro, which is quick, customisable and intuitive, responding to multi-touch gestures that are familiar to smartphone users.
- The wireless charging allows customers to charge smartphones.

NEW DEFENDER

- 2021 World Car Design of the Year
- The first Land Rover to feature a Wade programme within the Terrain Response menu
- State-of-the-art new Pivi Pro infotainment system
- 3D Surround Camera which make manoeuvring easier
- New features include ClearSight Ground View and ClearSight Rear View with 3D on-screen visualisation and fully independent air suspension
