

C9

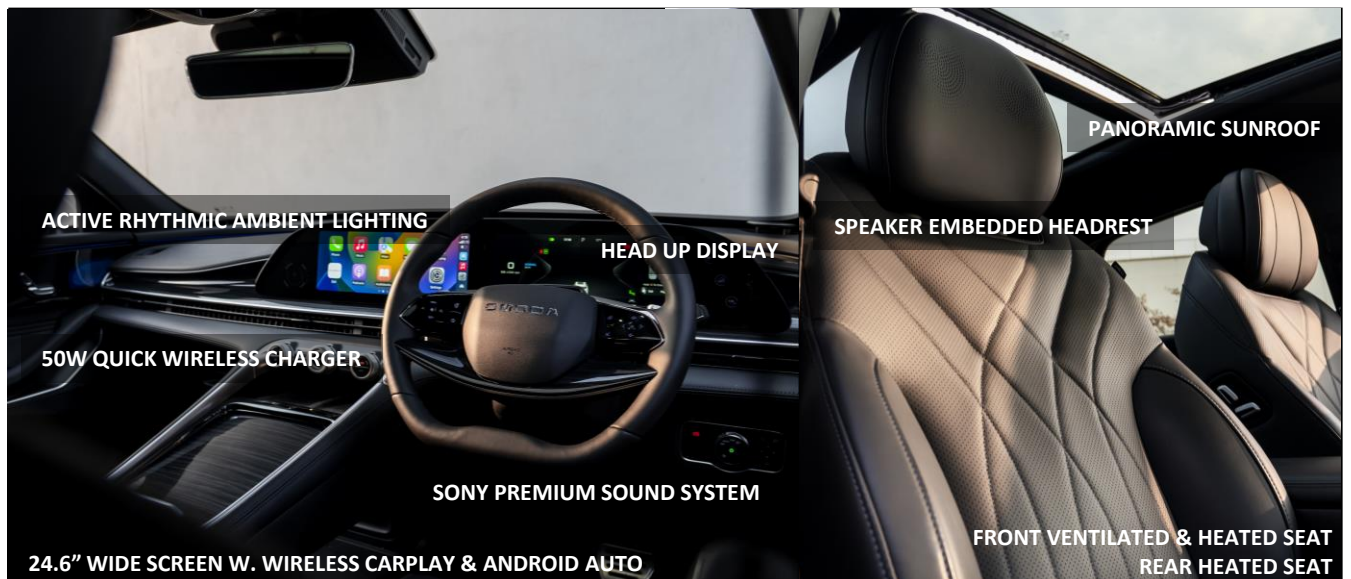

THE ALL NEW C9 BY JAECCO THE STEADY EXPLORER

Introducing the all new OMODA C9, the latest premium offroad SUV Coupé, where cutting-edge technology meets stylish premium design. This luxury vehicle is engineered for adventure, combining rugged capability with sophisticated aesthetics. Experience unparalleled comfort and innovative features that elevate every journey, whether on city streets or off the beaten path. Step into a world where performance meets elegance and redefine your driving experience with the premium offroad SUV Coupé companion.

1. EXTERIOR HIGHLIGHTS. PREMIUM OFFROAD SUV Coupé

2. INTERIOR IMPRESSION. VISUALLY HIGH CLASS WITH MODERN PERFECTION

3. ENGINE AND TRANSMISSION

The All New OMODA C9 boast a robust 2.0 turbocharged engine (2.0 TGDI) delivering 257 HP and impressive 400Nm of torque, paired with 8-speed automatic transmission for power delivery and exceptional efficiency.

4-CYLINDER 2.0 TGDI ENGINE

8 SPEED AUTOMATIC TRANSMISSION

Powerful engine with 257HP and 400Nm torque

Peaceful with low idling sound pressure into the cabin

Economical with 3-5% improvement in fuel consumption and up to 41% thermal efficiency

5b. SAFETY

Extensive use of high-strength materials and engineered crumple zones enhances safety by redirecting crash forces away from drivers. In addition to airbags and seat belts, the OMODA C9 is equipped with advanced safety technologies designed to help prevent accidents. These features include:

- **Anti-lock Braking System (ABS)** which helps prevent wheels from locking up during braking, allowing the driver to maintain steering control.
- **Electronic Stability Program (ESP)** monitors vehicle stability and helps prevent skidding or loss of control by selectively applying brakes and reducing engine power.
- **Traction Control System (TCS)** helps prevent wheel spin during acceleration on slippery surfaces by reducing engine power or applying brakes to individual wheels.
- **Tire Pressure Monitoring System (TPMS)** alerts the driver if tire pressure is significantly low, helping to prevent tire blowouts and improve fuel efficiency.

COMPETITIVE ASSESSMENT (OMODA C9 2WD VS OMODA C9 AWD)		OMODA C9	OMODA C9
