

Reference: Main specifications

Grade		RZ	SZ-R	SZ
Length (mm)		4,380		
Width (mm)		1,865		
Height (mm)		1,290	1,295	
Wheelbase (mm)		2,470		
Tread	Front (mm)	1,595		1,610
	Rear (mm)	1,590		1,615
Minimum ground clearance (mm)		112	118	
Curb weight (kg)		1,520	1,450	1,410
Seats		2		
Powertrain layout		Front-engine, rear-wheel-drive		
Engine		Inline-6 DOHC Twin-scroll turbocharger	Inline-4 DOHC Twin-scroll turbocharger	
Engine displacement (cc)		2,997	1,998	
Maximum output (kW[PS]/rpm)		250[340] /5,000	190[258] /5,000	145[197] /4,500
Maximum torque (N·m[kgf·m]/rpm)		500[51.0] /1,600-4,500	400[40.8] /1,550-4,400	320[32.6] /1,450-4,200
Transmission		8-speed Sports Automatic Transmission		
WLTC mode fuel efficiency* (km/liter)		12.2	12.7	13.1
		Normal mode*	9.2	9.5
		Sport mode*	13.1	13.6
		Highway mode*	14.7	15.1
Suspension	Front	MacPherson Strut		
	Rear	Multi-link		
Brake	Front	Ventilated disc		
		4-pot aluminum monoblock caliper	Aluminum floating caliper	
	Rear	Ventilated disc		
		Floating caliper	Aluminum floating caliper	
Tire	Front	255/35ZR19	255/40R18	225/50R17
	Rear	275/35ZR19	275/40R18	255/45R17

*Evaluated value by the Ministry of Land, Infrastructure, Transport and Tourism

WLTC mode : Global driving mode composed of average driving hours in Normal, Sport, and Highway modes

Normal mode : Relatively slow speed driving affected by traffic signals, traffic congestion, and other similar factors is assumed.

Sport mode : Driving not affected by traffic signals, traffic congestion, or other similar factors is assumed.

Highway mode : Highway driving and other similar driving factors are assumed.
