Rear opening height	544
Rear opening width upper, max., lower	1,079/904
Interior width between wheel arches	1,021
Boot height under parcel shelf on floor level/on bottom level	450
Boot height under liner	688
Ford depth level (mm)	400

WARRANTY AND SERVICING

All new Renault cars are covered by a five-year warranty. It features an unlimited mileage limit in the first two years and up to 100,000 miles in the remaining three. E-Tech models are covered by an additional eight-year and 100,000-mile traction battery warranty for extra peace of mind.

MANUFACTURING

The Megane is built at Renault's Palencia plant in Spain – a site that Renault has been building cars at since 1978. The Megane is constructed alongside the popular Kadjar SUV, with 85-90% of the vehicles manufactured exported to more than 50 countries around the world. Palencia is an integral part of Renault's international reach.

Both Kadjar and Megane models are based on the Alliance CMF architecture. The CMF architecture allows a wide variety of cars of different sizes to be created using a common basket of out-of-view parts, bringing cost reductions which can be passed on to customers in the form of increased content at attractive prices.

MEGANE HISTORY

1995

Launch of the first generation Megane, in hatchback and coupé body styles, replacing the Renault 19.

1996

The Megane range is expanded with the launch of the Scenic and convertible models.

1997

The Megane Classic saloon joins the model line-up, and the Megane Scenic is voted European Car of the Year.

1998

Launch of the Megane estate. Manufacturing output reaches 3,400 a day and the model becomes Europe's best-selling car, a position it holds, unchallenged, until 2004.

1999

Megane is awarded a four-star Euro NCAP rating, making it the safest car in its market segment.

2000

Scenic production tops 1,000,000. Scenic captures 80% of segment sales in France, and 65% throughout Europe.

2002

Launch of Megane II hatch and Sport Hatch models. Megane hatch is awarded a five-star Euro NCAP rating – the first car in its class to achieve this accolade.

2003

Launch of Scenic II, Grand Scenic, Coupé-Cabriolet, saloon and estate, completing a seven-model line-up. Megane II voted European Car of the Year. Megane production totals 4.725 million between 1995 and 2003, of which some 1.3 million were Scenic versions.

2004

Megane Coupé-Cabriolet becomes the first car in its class to be awarded a maximum five-star Euro NCAP rating. Megane II range production surpasses one million after just 20 months on sale. Megane Trophy race car debuts at Paris Motor Show with 3.5-litre V6 320hp engine.

2005

Between 2002 and 2005, some 2.32 million Megane II variants are sold, of which 50% are Scenic II models.

2006

Launch of facelifted Megane II at Brussels Motor Show in January, available in five body types – Hatch, Sport Hatch, Sport Saloon, Sport Tourer and Coupé-Cabriolet. Three new engines added: 1.5 dCi 86, 106 and 2.0 dCi 150. Range expansion continues with launch of GT Sport Hatch and hatch in October, followed by Renaultsport R26 F1 Team 230.

2007

World unveil of Megane Renaultsport dCi 175 range.

2008

The Megane Coupé Concept is unveiled at the Geneva Motor Show in March. The production version of Megane III hatch and coupé debuts at the Paris Motor Show in October.

2009

All-New Megane Coupé UK sales begin in January. The 1.4 TCe 130 and 2.0 dCi 150 Auto FAP engines are added in June 2009.

2010

Renaultsport-inspired GT and GT-Line versions added to the range in June. The line-up is completed with the introduction in the same month of the Coupé-Cabriolet. At the same time Renault also introduces its all new automatic EDC (Efficient Dual Clutch) transmission with the 1.5 dCi FAP engine.

Sep 2013

Facelifted Megane III makes world debut at Frankfurt Motor Show.

Dec 2013

Ordering opens for the facelifted Megane III range alongside the introduction of new brand identity, 1.2 TCe 130 EDC engine and R-LINK infotainment system.

2014

Megane 275 Trophy-R sets the Nürburgring lap record for a front wheel drive production car.

Sep 2014

GT 220 models added to the range.

Sep 2015

Megane IV makes its global debut at Frankfurt Motor Show, based on new CMF architecture.

Nov 2015

Megane IV is awarded five-star Euro NCAP safety rating.

2016

Megane IV is launched in European markets.

Dec 2016

Megane Sport Tourer introduced.

May 2018

New EasyLife trim levels - Play, Iconic and GT Line - introduced.

2019

Megane R.S. Trophy sets new lap record for a front-wheel drive production car at the famous Nürburgring in Germany.

2020

Facelifted Megane model release as it celebrates 25th anniversary and includes first ever Plug-in Hybrid model with the Megane Sport Tourer.

The New Renault Megane Hatch E-Tech Plug-in Hybrid is available to order now, with first deliveries taking place in September 2021. Prices start from £29,495 OTR.
