## About MG

MG is the fastest growing car brand in the UK, with a market-leading range of electric vehicles that are encouraging more drivers than ever to switch to zero-emission motoring.

Tracing its history back to 1924, MG is famous for building sporty, exciting and affordable cars. Today, the company is establishing itself as a driving force in the rapidly expanding UK electric car market, with a reputation for outstanding design, market-leading technology and excellent value for money.

Designed in Marylebone, London, and manufactured in state-of-the-art factories in several countries, today's MGs are practical, spacious and packed with technology. From its innovative new Modular Scalable Platform (MSP) to the intelligent iSmart vehicle data app, MG continues to demonstrate a forward-thinking and progressive approach to the needs of today's discerning motorists.

With a national network of over 150 dealerships, MG is accessible to customers everywhere with professional sales and aftersales provision across the UK. All new MGs are built with world-class components and are backed by a comprehensive manufacturer's 7-year warranty.
