Nm/4.500 RPM

Safety

WE Sense Better

Hyundai SmartSense is your extra eyes on the road by anticipating danger, assisting your drive, and keeping your loved ones safer.

** Only for X & Prime variant

Hyundai SmartSense

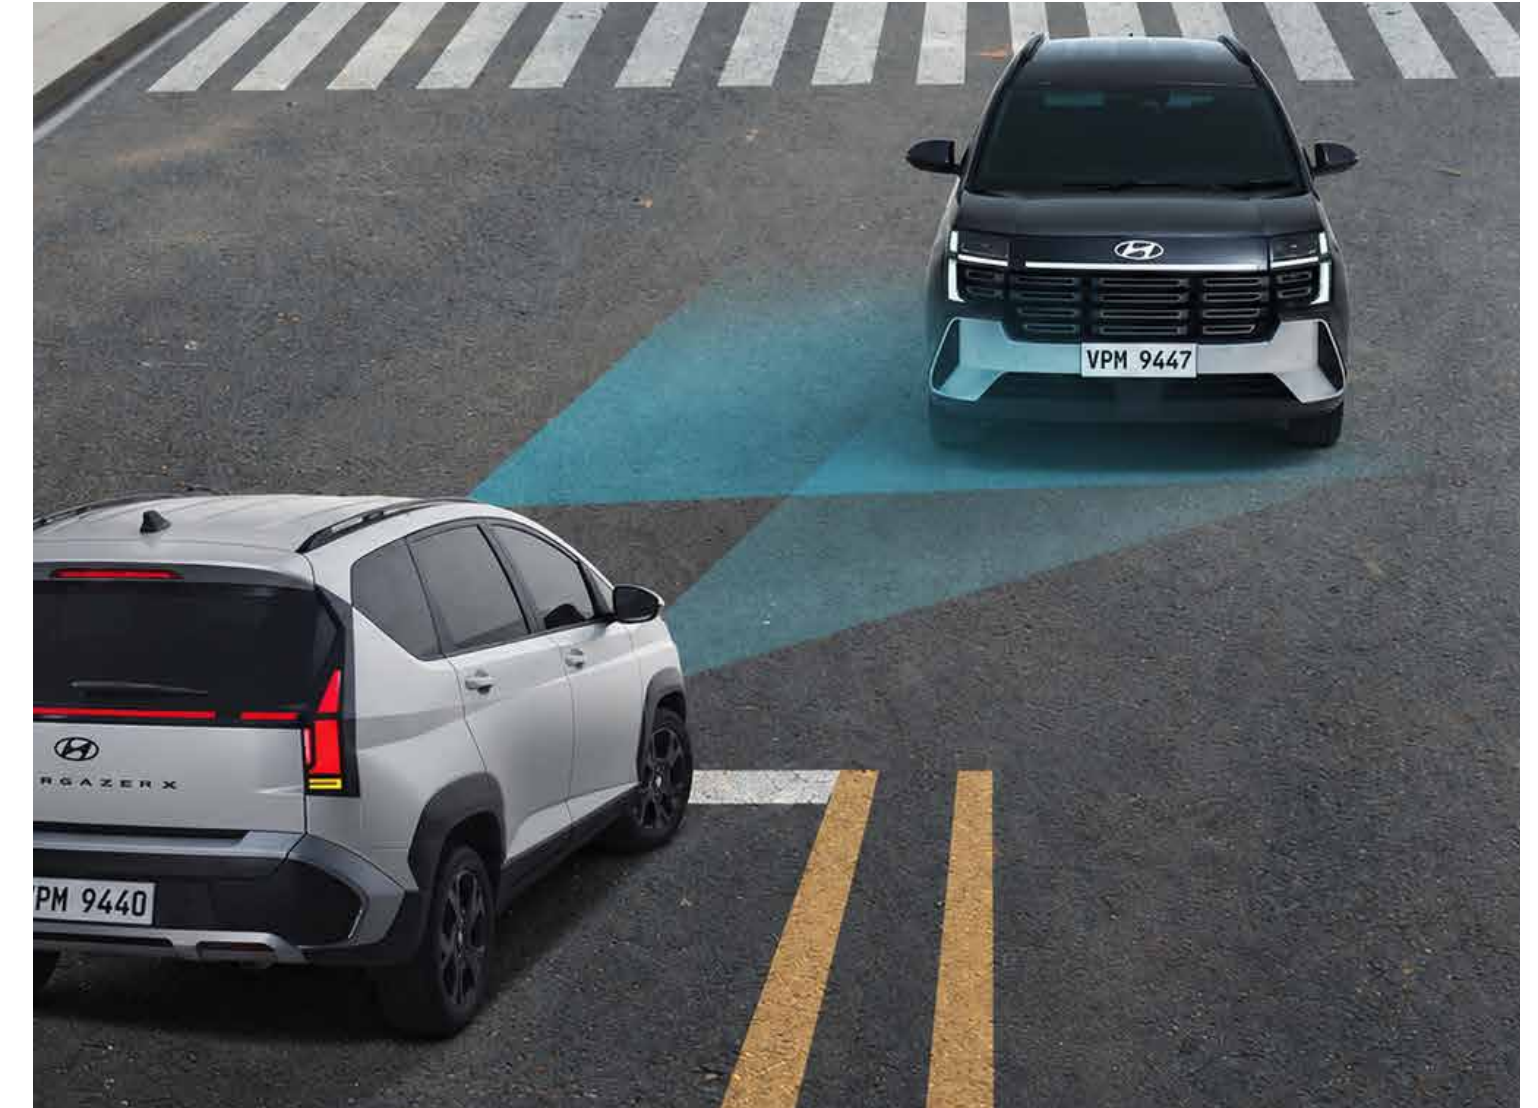

Smart Cruise Control with Stop & Go (SCC w/ S&G)

Equipped with a Stop & Go function, the system automatically adjusts speed, bringing the vehicle to a stop and resuming movement as needed. It enhances driving comfort and convenience, especially in heavy traffic conditions.

Rear Cross-traffic Collision-avoidance Assist (RCCA)

When a vehicle approaches from behind while you are reversing, the system provides a warning and can automatically apply the brakes in emergency situations to help prevent a collision.

Forward Collision-avoidance Assist with Junction Turning (FCA-JT)

Warns of potential collisions at intersections and automatically applies emergency braking when a risk is detected.

*Features serve as a support only. The driver must still remain focused and careful when driving.

*Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.

*Actual specifications may vary depending on the trim, powertrain and variant selected.

Hyundai SmartSense

Parking Distance Warning (PDW) - Front

Detects and alerts you to nearby objects when your vehicle is stationary or moving at low speeds.

Blind-spot Collision-avoidance Assist (BCA)

Blind-Spot Collision-Avoidance Assist (BCA) warns you if there is a risk of collision with a rear side vehicle in the blind-spot while changing lanes. When exiting a parallel-parking spot in a forward direction, if there is a risk of collision with a vehicle approaching from behind, it automatically assists with emergency braking.

Lane Following Assist (LFA)

The front camera monitors lane markings and assists the driver in keeping the vehicle safely centred in its lane.

*Features serve as a support only. The driver must still remain focused and careful when driving.

*Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.

*Actual specifications may vary depending on the trim, powertrain and variant selected.

myHyundaiCare

Hyundai's commitment is to look after you every step of the way. From keeping maintenance costs manageable to *complimentary vehicle inspections, dedicated servicing and comprehensive warranty coverage, myHyundai Care is designed to give you greater peace of mind.
